From the Pro Shop

Golf Course and Range

The new Tee Boxes on #14 - #16 and #18 opened up for play during the Shamble/Scramble Open Golf Tournament. They played awesome. This new Diamond Zoysia grass is tightly wound and very durable.

The new Tee Boxes on the Practice Range opened up Thursday July 28th. They were sodded with the same Diamond Zoysia grass that I mentioned above. All players using the Practice Range will have designated areas that have been roped off to practice from. It is Mandatory that you hit from these designated areas. Of course, the mats are still available to use. We will stagger the teeing areas every 7 days to allow previous used areas to heal. Please remember to sand your divots after you practice!!! The golf course is Great!! Better get out here and see for yourself.

Speaking of the 2 Man Shamble/Scramble we hosted 59 teams of two for the weekend. (Open to Everyone) Everyone was very complimentary of our course and facility. Results are available in the Pro Shop. We plan on hosting this tournament for years to come.

Heat Advisory!!!

Summer temperatures finally have arrived. So, if you're going to play during this heat here are a few things you need to do to help you survive:

Drink plenty of fluids to stay hydrated (not alcohol) - Wear head protection, preferably a wide brim hat to totally protect you - Drive to the shade whenever possible - Wear a cooling towel, it will lower your body temperatures 10 to 15 degrees. By doing these above recommendations you'll be able to complete your round.

Gaylord Walden
Golf Pro

The Women's Golf Association didn't have any news to report on in July. We skipped holding our monthly business meeting due to several members unable to attend. Upcoming W.G.A. tournaments are the Ladies Club Championship scheduled on September 18th & 19th and the 2 Jacks & A Jill will be on October 9th & 10th. Ladies you need to get your team together for this tournament. It's a lot of fun and a big profit maker for our W.G.A. Please support our Athens Country Club by playing in our tournaments.

Our next business meeting is scheduled for August 25th at 5:30 p.m. W.G.A. Tournament Chairwoman, Joyce Crist

7/15/21 - Jim Shaw eagled #11 and #3 in the same round. "Very Awesome!!" Witnessed by: Jesse Phinney and Bob Ostransky.
7/23/21 - Dan Mandeville eagled #3 - Putted it in from the fringe. Witnessed by: Bob Geatches and Richard Herring.
7/24/21 - Norm Normandin holed his 4 iron from 205 yards on #8 for an Albatross 2 during the Shamble format. The story was he was short of the tree on the right side of the fairway and had to hit a low shot under that tree. Steven Smith (Norm's Partner) said he brushed the leaves on the tree, and they never saw the ball land. Norm was searching over the green to no avail. Then they decided to look in the hole and there it was. Wow! That's something special!! Witnessed by: Steven Smith, Ed Gatlin and Carl Worley

Tournament Schedule

Aug. 14-15 Memorial Cup Matches
Aug. 21-22 Cedar Creek Matches
Sept. 6 Labor Day Scramble
Sept. 18-19 Ladies Club Championship
Sept. 23-26 Men's Pea Picker

Notes from the Staff

From the Golf Course

It is hard to believe that we are already into August. Fortunately, we have not had long periods of overbearing hot temperatures. But we have also received some rain as well. I am certain this month will most likely be different than July, but we are getting closer to fall every day. The crew has done a great job with maintaining the course at a high level, even though they have been shorthanded again this year. The course was in great shape for the Men's Invitational this past month and was a success.

We have successfully completed the second greens aerification for this growing season. The crew pulled a lot of material off the green's surfaces, which was well needed. Noah is going to begin spraying annual weeds around the greens and course. The turf will likely turn yellow during the spray applications but will return to color within a few days.

Stay safe and keep hydrated!

Swing hard in case you hit it!!

John Tarpley

Golf Course Superintendent

Golf Course Consultant*

From the Tennis Courts

We had 18 happy Kampers to participate in our Annual Kids Kamp held July 20 thru 23rd, and the weather really cooperated because it was not too "HOT" and it was not raining! Kudos to the counselors, they did an awesome job! I am hoping we have a lot more Kampers next year.

Our group and private lessons are still at the same time thru summer break. Monday and Wednesday is Pickleball at 7:00pm and Tuesday and Thursday members nights out at 6:00pm. We've had a lot of players taking advantage of those days.

If you have any questions or suggestions, please call me or come by the courts.

See ya on the courts,

Fernando

Notes from the Staff

From the Club Manager

The heat has finally arrived! Just in time for the kids to go back to school, which means I'm losing most of my snack bar people and the lifeguards. It's always been a real fun time of year for us! So, moving into August, we will see sporadic lifeguard times and snack shack times. When we have no lifeguard, you will be required to sign in at the bar and swim at your own risk. (So, we know you're here) Signage will be posted on the gates around the pool. You will also have to call the bar to order anything when there is not a snack shack person available. Thank you's need to go out to the following members and groups that made July a very prosperous month. 850 Gaylord made the Firecracker Scramble a huge hit, and the MGA brainstormed our first two-day Open Shamble/Scramble tournament with 59 teams. Gaylord was also heavily involved and did an awesome job! I'm guessing from my banquet business that people really want to have get togethers now since the vaccine is readily available. Thanks to the Pate's, The Moore's, Malakoff High School, The Warrens, The Ward's, and UT Health for holding their functions here at the club. We also had a great turn out for Kids Kamp, so thank you for those that helped. King Neptune's Feast was a huge success on the 17th. The King Crab was the King of the show!

Halfway through the year and the club is doing awesome! Memberships are up, Golf is up, Food and Beverage is up, Pool and Tennis – it's just astounding to see the growth going on. After the last year and a half of Covid, the staff and I would like to thank all of the membership for your continued support.

Chris Ingram

From the Fitness Center Director

Summer is coming to an end, school is starting, and we are now approaching a busier time of year. Don't give up your workouts though! Take care of yourself and do something even if you have to change your schedule a little. Make time for it. Exercise is not only beneficial for the body, but is also important for your mind. Exercise causes your body to release endorphins and feel happy. Exercise will help you deal with stress better. Exercise will help you to think more clearly. So make time for it. Even two to three times a week will make a difference. Hope to see you at the ACC Fitness Center!

Heather Shaid
