Notes from the Staff

From the Golf Course

Let me start off by telling everyone, I pray you all have a Merry Christmas and a Happy New Year! Hard to believe we are at the end of another crazy year. But let us not forget Jesus is the reason for the season.

The grounds crew has been busy working on blowing and mulching leaves, and cleaning debris. As well as a few projects around the course. Fall pre-emergents have been applied to greens and tee boxes to help alleviate weed infestation. Winter dormant weed spraying will begin as the weeds start emerging.

The fall weather so far this year has been mild. Hopefully, we will soon receive some much-needed moisture. We will continue to fertilize the greens to harden them off for the cooler temperatures and winter dormancy.

Swing hard in case you hit it!!

From the Tennis Courts

After the very hard winds, we managed to keep our windbreakers in good shape for now, but we still have 3 or 4 months to go.

Our private and group lessons:

Tennis Tuesday and Thursday nights

Pickleball on Monday and Wednesday nights, they have slowed down a bit but will probably pick up after everyone ate too much during the Thanksgiving Holiday.

We are still waiting on the Board to make a decision on our proposal for the Tennis and Pickleball courts, I hope to have heard from them by the next newsletter. That will conclude our improvements for 2021.

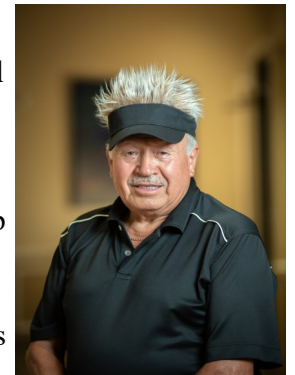

If you have any questions or suggestions, please call me or come by the courts.

See ya on the courts,

Fernando

From the Club Manager

Tis the season, HOHOHO! December for myself and family has always been what some people would call a hot mess. It's party time in the club business so my idea of shopping was going out the day before and racking the shelves for something that the kids wanted or finding that special glittery thing called a bauble. 1978 Most of the time those were left in the box and returned- the life of a club manager, HOHOHO!

You all know where this is going, right? A couple of months ago I started thinking about the years I've been in this career.

The answer was 50. Low and behold it finally dawned on me - I can't pass up any more grandkids' birthdays, holiday celebrations or graduations. It's me time (of course also wife time) so, December 22nd will be my last day as the club manager of Athens Country Club. The past 6 ½ years have been enlightening to say the least. The club's success through the years isn't all my doing. Every member, all the staff and the board are all part of this success- without their support, accomplishments would have never happened. Getting through this Covid-19 was probably the hardest of all. Go figure - Covid brought us new members and a new business model, which pushed our P&L statements to areas we've never seen before. With that said, my wife Barbara and I will be retiring at the Ranch in Safari and hopefully see everyone in the dining room or bar or maybe even the golf course. Thank you all for your support! Take care and be safe- Merry Christmas to all!!!!

From the Fitness Center Director

The 2021 ACC Turkey Trot was a success! Thank you to everyone that donated and participated.

Cannot believe the holidays are here! This time of year can be tough for many people for a reason that is often overlooked. Although it is the most wonderful time of year, it is a time of year with less sunlight and that can cause seasonal depression in some individuals. Exercise can help your body release endorphins and increase serotonin which can make you feel better and results in a happier you. So, get out there and move!

Happy Holidays from The ACC Fitness Center!
