From the Pro Shop

Spring is right around the corner. Won't be long now. Historically from May 10th to the 20th is when the temperatures consistently average better than 150 degrees, daytime, nighttime temperatures combined. That's when the growing begins, and the mowers get cranked up. Can't wait to see how beautiful our course will be. With that said, as of the first of April we will be promoting the Take Care of Your Course Campaign. All the golf carts will have signage with helpful reminders to do the things it takes to take care of your course. There will also be signs on the course to remind each player about taking care of their course. So, please help us out and help take care of the course. Thanks, Gaylord

If you would like a reminder sign on your cart, please just ask and we'll provide it for you..

We had our February meeting in March because of the weather. We had a good turnout. Thanks to everyone that took time to show. Our next meeting is March 30. I'm ready for Ole Man Winter to go away. Don't forget to sign up for the 2-Lady String tournament April 9.

Thanks Debbie

3-15-22-Jim Shaw eagled #3 - He hit the green in two and made the putt for his eagle 3. Witnessed by: Mike Collins, Dan Mandeville and Jerry Caskey.
3-16-22 - Robert Gross made an incredible par on #13. He hit his third shot from the right of the damn on #14. Totally blind shot from there. He hit it to within 10ft and made the putt. Witnessed by: Andy Jones, John McQueary and Walter Wilmeth Walter said it was one of the best pars he's ever seen.
3-18-22-Bob Geatches eagled #3. Hit a 5 iron on the green and made the putt for his eagle 3. Witnessed by: Richard Herring and Dan Mandeville.

From the Golf Course

Wow! It's hard to believe we are already headed into April. I sure hope the old saying of April showers bring May flowers, because we need the moisture. Fortunately, we survived the winter with minimal damage and Spring is right on top of us.

The grounds crew will be getting ramped up and ready for the upcoming golfing season. One of our main objectives this year will be weed control on the course, as well as maintaining the course at the highest level. We have begun our spring pre-emergent weed control to the course, then as the season progresses, we will continue to apply post emergent herbicides to eradicate the weeds as they germinate. We will begin vertical mowing and topdressing the greens later in the month. We are scheduled to aerate the greens Monday, May 9th and follow with tee boxes and fairways.

Swing hard in case you hit it!!

From the Tennis Courts

Well, we finally got March behind us, and our members are coming out to play more especially on Tuesday and Thursday night. Our Athens High tennis teams went to Wills Point for district tournament last week but unfortunately, we didn't have any-one advance to Regionals this year. Hopefully we will have a few players going to Regionals next year!

Remember group and private lessons are still the same, Monday thru Thursday at 5:00pm, Pickleball Monday and Wednesday at 5:30p.

We have a lot of work to do on our courts for this 2022 year. I will let you all know how we come out in the next newsletter.

Come and play with us we have a lot of fun!

If you have any questions or suggestions, please call me or come by the courts.

See ya on the courts,

Fernando

From the Club Manager

April might be one of my favorite months of the year. It's at least in my top 12. In addition to a few personal reasons, I enjoy how everything just seem to awake from a long winter nap. The sun seems brighter, the grass is greener, and the smiles are just a tad bit bigger on everyone's face. Thank you, Springtime.

April also brings us an Easter celebration this year. We will have our Children's Easter Breakfast and Egg Hunt on Saturday the 16th from 9:00 am-12pm. Along with a wonderful breakfast buffet and egg hunt, the Easter Bunny will be here for photos along with face painters, Corn-Pop the clown making balloon sculptures, a petting zoo and a craft area for the kids.

On Sunday the 17th, make plans to bring the entire family out to the club for a wonderful Easter lunch. Let us worry about the cooking and cleaning while you're sitting around the table with 0612 your family enjoying all your holiday favorites. For both the Children's Party and Easter Sunday lunch, reservations are required and will be accepted up until 5:00 on Tuesday, April 12th. Make your reservations early as we offer limited seating at the top and bottom of the hour, beginning at 11:00 am.

Also, on Friday, April 8th @ 6:00pm, come out to the club to celebrate ACC's own Club President, Don Lawyer's 75th birthday. What a fun event with The Big Daddy Band playing all the hits from the 70's, 80's and beyond.

I need to apologize to you on the delay in getting our new menu finalized. It has morphed into a beast of its own. I didn't realize just how time consuming it really was. From the page design, menu items, the sides, the recipes, the presentation, and everything else that goes into creating a menu that our membership will be proud off. I do promise that I am working diligently on it and hope to get it out shortly.

Two other quick items of note. Our Mexican Buffet will continue to be on the last Thursday of the month, and we will be serving Prime Rib on our Sunday Brunch buffet on the First Sunday of the month as well.

I hope everyone has a great April and thank you all for your continued patience and understanding as we continue to navigate this crazy and ever-changing time in our lives.
