Take Care of Your Course Campaign

We ask you to do your part and help your course out by following the normal Rules of Etiquette as you play your round of golf or practicing at the range. We have signs on all of our carts, on the window of the Pro Shop and signs throughout the course to remind you to keep your carts out of the fairway - Use the 90 Degree rule, sand your divots in the fairways and tee boxes including the tee boxes at the practice range, repair your ball marks on the greens as well as others. rake the sand traps after playing out of them and to please observe all directional signs on the course.

Thanks to everyone for taking care of your course.

From the Golf Course

I hope and pray everyone had a wonderful and blessed Easter Holiday. Easter is a sign that Spring is in full bloom. They say that April showers bring May flowers, well April better step it up with some needed moisture. The weather is getting warmer, and the days are getting longer, which means spending more time with outside activities.

We will be aerating the greens on Monday, May 11th. Then we will follow the greens aerification by aerating the fairways and tee boxes. After all the golf course has been aerified, we will apply our first fertilizer application to the entire course.

Please remember to follow the 90-degree rule on all fairways. Also, cart paths only around all tees and greens. I know concrete is not cheap, but I promise you will not wear it out by staying on it as much as possible, the grass will thank you later.

Swing hard in case you hit it!!

From the Tennis Courts

In our newsletter last month, we mentioned that we have a lot of work to be done on our courts for 2022! I sent a revised proposal to the board, 1st) to build a fence between courts #1 and #2, 2nd) build 2 Pickleball courts on #1 and leave court #2 as is. We would like to have this done before the summer break and Kids Kamp. We also need #1 and #2 resurfaced.

Please mark your calendar that we will be starting Pickleball on Monday and Wednesday starting May 2nd at 6:00pm. Tennis private and group lessons still at the same time 5:00 to 6:00 Monday thru Thursday.

Come and play with us we have a lot of fun!

If you have any questions or suggestions, please call me or come by the courts.

See ya on the courts,

Fernando

From the Club Manager

A big thank you for everyone that came out to our Easter Lunch. We ended up having over 200 people come enjoy lunch with us on Sunday. Our Bunny breakfast was a big hit with the kids on that Saturday as well. We had a lot of activities for the kids and a visit from the Easter Bunny with all his Easter eggs. We greatly appreciate your continued support of your club.

Remember that Mother's Day, is Sunday May 8th. Come on out and celebrate with a fantastic luncheon we have planned for you. Our swimming pool is scheduled to open on Saturday the 28th and we will have a Memorial Day outdoor cookout around the pool area on Monday the 30th. Since we will be open on that Monday, the club will be closed on Tuesday May 31st. Also, on May 26th we will have an Italian dinner with all of your favorite dishes.

Finally, I want to thank everyone for their continued patience with us, when it comes to longer than usual cook times. Trust me it has not gone unnoticed, and we are working diligently to get it corrected. Just like everywhere else in this city and others, we are fighting a major battle with staffing our business. Our staffing levels are down over 50% from where it should be to provide you with the service you have come to expect and deserve. Staffing is literally the biggest challenge we have right now, kitchen, food service, bar, pool area, maintenance, and ground crew. So, again thank you for your patience and understanding as we strive to make this a club you can be proud of.

Don't forget to follow our private Facebook page for updated information things happening around the club. Have a great May.
