### 2023 Standard Golf Course Procedure Reminders

All Players must Sign In at the Pro Shop.

All Guests of Members must Sign In at the Pro Shop

In County Guests can only play Golf twice a year with a member

Players Must get permission from to Pro Shop to tee off on Hole #10

Non-Resident guests (outside a 35 mile radius) can frequently play @ Athens C.C. as often as they want. Of Course, they will pay fees.

### The Golf Course

As a result of freezing weather, rain, ice and sleet the course is saturated. Also, due to the ice in the trees as all of you have seen major limbs have fallen on the course. It will take weeks to get it all picked up. Hopefully with the sun shining it will help us dry out in a few days. The Ground Hog said 6 more weeks of Winter. I'm hoping not to this extent. Regardless, the Golf Course is in pretty good shape considering everything it's been through. It'll only get better as the temperatures rise.

### The Practice Range

The tee boxes have been Closed. You can practice from the designated roped off areas in front of the tee boxes or you can hit off of the mats. This time of year when the tee boxes are dormant they take a significant beating to the point that there's nothing to hit off of. So, there again they will recover when the temperatures rise.

Shaylea started working at ACC back in June of last year down in the pool area. After the pool season ended, we brought her up to the bar and dining room areas where she excelled. She always has a smile on her face and is willing to help wherever we need her. We are very lucky to have her here at ACC. Please help me congratulate **Shaylea**, our **January Employee of the Month**

Hello ladies. Hope everyone is doing fine. Our first meeting will be February 22 at 5:30. Thanks Debbie

## From the Golf Course

Wow, we are already a month into the new year, I hope and pray 2023 is a prosperous year for everyone. This winter has been a rollercoaster so far for sure. The grounds crew has done a wonderful job and nearing the end of leaf and debris cleanup. The dormant spraying of the winter weeds on the course is nearly complete. Winter preventative maintenance on the equipment fleet is in progress. The golf course and greens are in great shape for this time of year. Just a quick reminder, please remember to adhere to the “wet area no cart signs” throughout the course. I understand this can be an inconvenience to some, but the turf cannot repair itself during dormancy and takes longer to recover from cart damage in the spring.

Swing hard in case you hit it!!

## From the Tennis Courts

It's been quite a while since we have had this kind of weather in Athens, warm, cold, and freezing wet not knowing how to dress (short sleeves, long sleeves, shorts, or long warmups) not having enough time to play Pickleball, tennis or work on the courts. I hope the weather warms up some so we can get out on the courts SOON!

Our group and private lessons are slow, but we are still trying to make it, starting at 5:00pm, Monday thru Thursday.

If you have any questions or suggestions, please call me or come by the courts!!

See ya on the courts,

Fernando

## From the Fitness Center Director

If you are pressed for time but don't want to miss your workout, then come to the ACC Fitness Center and complete a simple and quick circuit routine.

First, warm-up on the treadmill or another cardio machine for five to ten minutes. Next, do 3 rounds of each strength training machine going counter clockwise, starting with the leg press machine for 10 reps. If you are not burning at the end of the set, increase the weight. Then, cool down for 5-10 minutes on treadmill or other cardio machine until heart rate is back to resting rate. Finally, finish with a full body stretch.

This whole process should take about 30 minutes. We can all do that. If you need extra help or new ideas, please feel free to contact me.
