From the Tennis Courts

It is hard to believe that summer break is already here. We are going to have group and private tennis and pickleball lessons for Jrs and Adults: starting June 5th - August 17th, we will be working for (1 hour) Monday thru Thursday starting at 9:30am and 6:00pm. You can schedule your lesson for as many days as you want, please let me know if you cannot make it at this time and I am sure we can find some other time for you!

I would like to encourage all of our members and their guests to take advantage of our new Pickleball courts.

If you have any questions or suggestions, please call me or come by the courts.

See ya on the courts,
Fernando

From the Club Manager

Well, June has finally arrived, and with it come many great things happening around the club. The golf course is greening up, and we are seeing a ton of members and their guests out here enjoying a round of golf. Our newly renovated pool looks fantastic, and it is great seeing all of the little ones out there cooling off and splashing around.

Speaking of the pool, I wanted to let everyone know a couple of things. First, we will continue our long-time commitment to the great people of Athens by making our pool available to the community on Monday, Wednesday, and Thursday mornings so that everyone can have the opportunity to learn to swim. 1001 On Tuesdays and Fridays, from 9 am to 11 am, the pool is available to our adult members 24 years of age and older to get those early morning laps in. No outside food or drinks are allowed without prior club approval. And as a reminder, when it comes to that summer birthday party for the kids, let the club can take care of everything with a pool party. Contact Alex at Eventcoordinator@AthensCountryClub.org for package information.

Remember, exercise walking on the course is only allowed from 6-8:30 am on non-tournament mornings.

All walkers must be alert when walking and yield to any oncoming golfers.

And finally, please understand that; unfortunately, our service standards will suffer from time to time as the struggle continues to hire employees while our membership is at an all-time high. Unfortunately, the service standards from the '80s, '90s, and 2000s are not the same standards that we have today. That is just the world we live in. If you do feel like you did not receive the quality of service that you deserve, please do not hesitate to reach out and let me know. Talking amongst yourselves and complaining about the service does not help anyone. Please let me know so I can address it and attempt to correct any issues you may have.

Thank you, everyone, for coming out and enjoying your club. Have a great June!

Jeff Jenkins

From the Fitness Center Director

Hot temperatures are upon us. Please use caution during these hot days. If you or any member of your family are involved in any outdoor activities, learn the signs of dehydration and exercise the utmost precaution. Dehydration can be caused by excessive sweating and not replenishing the body with adequate fluids. Symptoms of severe dehydration include a very dry mouth, excessive thirst, irritability, confusion, lack of perspiration, little or no urination, sunken eyes, dry, shriveled skin, low blood pressure, a rapid heartbeat, or a fever. Delirium or unconsciousness is present in the most serious of cases. Prevention is always our best defense. Hydrate your body before, during and after engaging in any type of outdoor activity. Severe dehydration is a medical emergency. Ask to be taken to the hospital or call 911 if you exhibit any of the symptoms of severe dehydration.
