### Course Condition

We have had enough cold winter weather. The course is holding up well. The greens are a little sparse due to the wet cooler weather. But I BELIEVE that when those temperatures combine to 150 degrees, daytime, nighttime combination that we'll see this place take off and only get better. Historically these temperatures start arriving anywhere from May 10th to May 15th. We'll have to see if that holds true this year. Keep your fingers crossed.

### Friday Scrambles

Friday Scrambles have begun. Come on out and join in the Fun. Sign up by 4:30pm. Shotgun starts at 5:30pm. \$10.00 entry. Pays 3 places Pro Shop Credit. Call the Pro Shop @903-677-3844. See You There!!

## From the Golf Course

They say that April showers bring May flowers, well April has finally stepped it up with some needed moisture. The current weather has been a rollercoaster ride, warm then cool. The lingering cooler temperatures, especially nighttime temps are not favorable for good Bermuda grass growth. The days are getting longer and soon warmer, which means the grass will eventually take off.

We will be aerating the greens on Monday, May 8th. 1948 Then we will follow the greens aerification by aerating the fairways and tee boxes. After all the golf course has been aerified, we will apply our first fertilizer application to the entire course.

Please remember to follow the 90-degree rule on all fairways. Also, cart paths only around all tees and greens. I know concrete is not cheap, but I promise you will not wear it out by staying on it as much as possible, the grass will thank you later.

Swing hard in case you hit it!!

## From the Tennis Courts

Since the weather is being unpredictable and the temperature is going up and down we did not have too many members taking advantage of the newly resurfaced pickleball and tennis courts. With the warmer weather and less wind I hope to see more members taking advantage of this and playing on our courts.

Remember our pickleball and tennis lessons are Monday-Thursday starting at 5:00 p.m. Also don't forget our Member's Night Out (every Tuesday and Thursday starting at 5:30 p.m.) Member's Night Out is for pickleball and/or tennis players.

If you have any questions or suggestions please call me or come by the courts.

See ya on the courts,

Fernando

## From the Club Manager

Spring is in full swing at the Athens Country Club, and we are excited to share with you all the exciting events and happenings planned for May.

First, I would like to warmly welcome all our new members who have recently joined the Club. We are thrilled to have you as part of our community and look forward to getting to know you better.

We have a lot of great events scheduled this month. Our Wonderful Mother's Day lunch is Sunday, May 14th, from 11-1:30. To celebrate Cinco de Mayo, we will have a traditional Mexican lunch buffet in the dining room on Friday, May 5th. Monday, May 29th, we will have a BBQ luncheon offered to celebrate the unofficial start of Summer. That Monday, we will also have our ever-popular Memorial Day golf scramble. Our ever-growing trivia night will be Thursday, May 25th, at 6:30 in the bar area. We had a great group turnout last month, and it keeps getting bigger every month.

Our newly remodeled swimming pool is set to open for the season on Saturday, May 27th. We hope everyone can come out and enjoy the beautiful water this year. The pool will be open from 9:00-11:00 am on Tuesdays, Fridays, and Sundays for Adult Swim. This early opening will be perfect for you to come out and get those laps in.

Now it is time to get on my soapbox for a bit. Whenever we have an event where reservations are required, we kindly ask that you make your reservations thru our office during regular business hours. Call the Club at 903.675.8594 and press 4 for Stacie or 5 for Kimberly. If they do not answer, leave a message, this is the only way where we can make sure that your reservations are for the correct time with the right number of guests, along with any special request that you may have. Also, when making reservations for multiple members of your party, let us know how we need to bill for the event properly. This issue always causes a lot of confusion for our members when statements come out. Finally, ACC has a 48-hour cancellation policy with reservations. Please understand that any changes, no-shows, or cancellations to an existing reservation are subject to this policy and will be billed to the member's account for the entire reservation.

Finally, I want to remind everyone that our Club is a community. We are committed to providing a welcoming and friendly atmosphere where members can enjoy all our amenities and make lasting friendships. Please don't hesitate to reach out to me or any of our staff members if you have any questions or suggestions.

Thank you for being a part of Athens Country Club, and I hope to see everyone out here enjoying your Club.

Jeff Jenkins
