Make your reservations early, as certain times are limited. Reservations can only be made by calling the office at 903.675.8594 and speaking with Kimberly @ Ext 5 or Stacie @ Ext 4 anytime from 8-5, Tuesday-Friday. If no one answers, please leave a message, and one of them will return your call to confirm.

Reservations can be made up until Tuesday, March 26th at 5 pm.

48-hour cancellation policy will be in effect. No other food service will be available on this day.

# Notes from the Staff

## From the Pro Shop

### Golf Course Condition

We are looking good for the Spring transition. The trees are budding out and the grass is growing a bit due to the nice temperatures. We made it through the hailstorm with minimal damage. We also got enough rain to saturate the course. Fortunately, the sun came out and helped dry us out. So, we are looking forward to getting through February and getting into some really nice Spring weather. (Hopefully we can avoid an Easter Snap, but no one can control Mother Nature)

### Pro Shop Clearance Sale Through March 10th

Selected items marked down to Wholesale Cost. Come and take advantage of these great Prices!!

Remember to take care of your golf course.

Drive 90 Degrees, Sand your Divots and Repair your Ball Marks

## Tournament Schedule

March 4th - Athens High School Invitational

March 9th 4 Man LoneStar Scramble

March 23rd- WGA Ladies Playday

### Greetings Ladies!

With this spring like weather golf is REALLY hard to resist! We've had a good turn out on Wednesdays for our weekly playday. Some start at 11am on the front 9 then some join at 1pm for the back 9. We are going to try to have some kind of group golf lesson at least once a month. I would love some input from you as to the subjects or skills you would like to address. Watch your email for more information. Upcoming dates to remember... 3/23 is a Saturday ladies playday, 3/27 is the WGA meeting @ 5:30pm and on April 13th is the 2-Lady String Tournament. Our WGA Tournaments are open to non-members of ACC so spread the word to friends outside our immediate circle.

Come on out and play some golf!!

See you on the links!

Ellen Cox

Feb 18, 2024 - Rick Beckham Aced #16 using a 9 iron. Witnessed by: Mike Reece, Landon Reece, Marty Lindsey and George Van Cleave

Feb 20, 2024- Danny Sparks birdied #13 - rolled in a 15-footer for his birdie 3. Witnessed by :Terry Fleming and Glenn Fluker

# Notes from the Staff

## From the Golf Course

2024 is moving right along, so far "Old Man Winter" has been fairly kind to us. If we can just slide through March with no more significant weather, we will be on the home stretch to another new golfing season. The greens and the golf course are holding up well for this time of year.

This time of year, is crucial for the coming spring green up, please use the cart paths as much as possible. These reminders are not to inconvenience you, but rather protect your investment in the golf course. We will be starting our Spring pre-emergent program on the course and greens; this process helps alleviate summer annual weed germination.

The weather has been a little turbulent with temperatures going up and down. Hopefully, it will level out soon and everyone can get out and enjoy a round of golf.

Swing hard in case you hit it!!  
John Tarpley

Golf Course Consultant*

## From the Tennis Courts

Looks like springtime is getting here. High schools are already starting district tennis matches and we are also starting our spring pickleball with Pinnacle Country Club on March 2. Hope we can keep up with them. Pickleball is picking up in our club and we love it!

Our tennis on Tuesday and Thursday is our favorite for Member's Night Out. Our spring schedule for private and group tennis and pickleball lessons are still the same - Monday through Thursday at 6:00 p.m. If you cannot make it at this time, call me and we can arrange another time for you.

If you have any questions or suggestions, please call me or come by the courts.

See ya on the courts,  
Fernando

## From the Club Manager

Welcome to March. With this current warming pattern that we are in, it really feels a little like June. First off, thanks to everyone who brought the love of their life out to our fabulous Valentine's Evening Dinner.

I could not have asked for a better turnout, and the staff truly appreciated all your wonderful compliments. To top it off, the harpist made the evening that much more magical.

Easter arrives a little earlier this year, on March 31st. We will have our traditional Easter Lunch that day and our Easter Eggstravaganza and Egg Hunt on Saturday the 30th. Reservations are required for both events and need to be made by Tuesday, March 26th at 5:00 pm by calling 903.675.8594 and speaking to either Kim @ Ext 5 or Stacie @ Ext 4 during business hours.

If you have been out to the club in the past week or so, you might have noticed the remodeling we are doing around the bar area. Our vision is to have a fresh, new, and vibrant look. We plan to revamp the bar by removing the old bar top and mirrors and replacing them with a granite bar top and gold tile below the bar top and behind the bar. We are also adding some new bar equipment and lighting as well. We will have a lounge area behind the fireplace with leather sofas and chairs for you to relax and enjoy a drink with friends. In addition, we are replacing our old, outdated audio/visual equipment throughout the club and adding a few more TV screens throughout the bar area. We will also install new roll-down shades in the bar and banquet area. These shades will help us bring in some natural light to the area. While we aren't able to replace the windows at this time, it is a high priority for us to get replaced very soon.

Thank you all for your continued support of your club, and as always, if you have any questions, please feel free to reach out to me.

Jeff Jenkins

## From the Fitness Center Director

It's never too late to see the life changing benefits of exercise! Although regular exercise throughout life is ideal, there are health benefits for those starting later in life, too. Late starters in fitness (age 60 and older) still see benefits of less illness and even dementia. It decreases the risks of stroke, heart disease, diabetes and depression as well. People who start exercise later in life also have less trouble doing day-to-day activities such as dressing and washing. 2201 You have to remain active and be consistent to see results, but two to three days a week is all it takes to reap the benefits. You can do that!

Heather Shaid
