From the Tennis Courts

I'm glad we are finally getting some good weather to play pickleball and tennis!

A gentle reminder: let's keep the music volume in check or switch it off if it's bothering others; courtesy on the courts goes a long way (Use your earbuds if you can!). And don't forget to sign in your guests before hitting the court. Sign in sheet is provided at the front of the courts.

Pickleball and Tennis lessons remain unchanged, Monday through Thursday, starting at 6:00 pm. Looking forward to seeing y'all!

If you have any questions or suggestions, please call me or come by the courts.

See ya on the courts,

From the Club Manager

May? May? Are we already in May? With the old adage, "April showers bring May flowers," this place should be covered in beautiful flowers this month. Speaking of, I want to give a big thank you to our Woman's Golf Association for all of their commitment to keeping our course beautiful. They generously donated the gorgeous rose bushes planted around the number 7 turnaround, the 18th bridge, and around the bathrooms on number 5. I somehow forgot to mention it last month but thank you to the Men's Golf Association for their generous contribution to the completion of our front nine cart path project. It was a definite much-needed improvement to your course.

If you haven't been out to our Sunday Brunch in a while, why not bring the family and give it another go? 0518 We have something special planned each Sunday, from peel-and-eat shrimp to prime rib, free mimosas, and more, all at no additional cost. Look in the newsletter for what special dish we are serving each Sunday.

Remember to make your Mother's Day reservations by Wednesday, May 8th. Celebrate Mom by giving her the day off and letting us take care of everything.

Don't forget, the Swimming pool will open for the Summer on Saturday the 25th and we will have our Memorial Day Scramble and BBQ Cookout on Monday the 27th. Memorial Day is always significant as we kick off the unofficial start of Summer here at Athens Country Club.

After a long wait, our audiovisual equipment is finally scheduled to begin being installed on May 13th. I greatly appreciate your patience while all of the equipment arrives. It is so much more than just TVs on the wall.

Finally, I want to wish my beautiful wife Laken a Happy 1st Anniversary on May 6th. You are indeed a pillar of patience having to deal with me. Thank you for all that you do for our little family.

I hope everyone has a great May. I want to express my heartfelt gratitude for your continued support. You are what makes our club thrive.

Please keep our Tennis Pro Fernando Navarro in your prayers as he is recovering from knee replacement surgery and the loss of his long-time wife, Joyce, earlier this week. Joyce was a beautiful lady, and we will miss her dearly.
